

# VENEZIA CERTOSA MARINA RESORT

## THE MARINA AND BOATYARD

With its 320 moorings up to 60 mt in length and draft up to 6 mt, is one of the few harbors of the territory able to accommodate deep-draft mega yachts. The Marina is supervised 24h/24 and 7 days/7.

Every mooring, provided with floating pontoons, is oriented towards the prevailing winds direction and has Wi-Fi connection, water and electricity.

The Marina includes a boatyard for the construction and repairs of sailing and motor boats and technical support facilities for all kinds of leisure craft: lift and launch, dry storage service, maintenance and installation of equipment and plant, wood carpentry; coating, sails, rigging and deck equipment and consultation services.

## THE NAUTICAL ACTIVITIES

The Marina is a multifunctional center that offers a wide range of nautical and recreational activities in the unique scenery of the Lagoon. On the island you can find **Venice Kayak school**, that organizes excursions throughout the Lagoon providing a unusual perspective of Venice. To promote training of the yachting world, it has been set up a **training center** providing marine driving license and professional courses.

## VENICE CERTOSA HOTEL

Offers an unusual holiday experience in the fascinating atmosphere of the Lagoon, a few meters far from the crowded St. Mark's Square, in comfortable double and single rooms with a nice view over the Lagoon and the park that surrounds the island.

The hotel provides common areas with all modern facilities and conference rooms for business meetings and events.

The staff will be happy to give you all information about transport system in Venice and to help you plan your itinerary suggesting the best restaurants, museums and sights not to miss. Public transport tickets can be purchased at the reception.

## IL CERTOSINO RESTAURANT AND BAR

The menu features fish and meat delicious dishes based on Venetian traditions mixing local products with a creative twist.

Outdoor dining areas are ideal for weddings celebrations, birthdays, business dinners, conventions and any kind of event.

## EVENTS

VdV targets the nautical world and much more. Thanks to its strategic position, the wide park and a wide range of services, Certosa Island is the perfect location for events such as corporate meetings, press conferences, art exhibitions, workshops, parties and sport events.

eventi@ventodivenezia.it

“A world apart  
a few minutes far  
from Venice.”

*Destination Venice*

“The park main purpose is to give birth to a new concept of hospitality: discovering the lagoon and other lesser-known islands in a slightly softer point of view, although always in deep connection with the city.”

*Bell'Italia (IT)*
